We are planning to have a goody bag for each family and would like to include a memento from your family, state, city, region, etc. Please send all contributions to the registrar. Suggested items are pictures of your family in front of your home, postcards that represent your region, hand made items that you want to pass on to other family members, etc. Quantity estimate is 50-75. Registrants should look for your Colorado Springs Convention and Visitors Bureau visitor package soon after the first of the year. The package includes information about all of the things to see and do while visiting Colorado Springs.
